How to love our Nation

Proverbs 29:2

When the righteous are in
authority, the people rejoice;
But when a wicked man rules,
the people groan.

Luke 19:

41 Now as He drew near, He saw the city and wept over it,

42 saying, “If you had known, even you, especially in this your day, the things that make for your peace! But now they are hidden from your eyes.

43: “For days will come upon you when your enemies will build an embankment around you, surround you and close you in on every side,

44: “and level you, and your children within you, to the ground; and they will not leave in you one stone upon another, because you did not know the time of your visitation.”

Jesus' experience as a citizen

- A brutal genocide
- Tyrannical occupation
- Poverty, hunger, injustice

How to love Malaysia?

To look at, learn from and lean on Jesus

1. He still fulfilled God's destiny

2. He never withhold doing good to people

Hebrews 4

15 For we do not have a High Priest who cannot sympathize with our weaknesses, but was in all points tempted as we are, yet without sin.

16 Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need.

Matthew 15:21-28

Matthew 15:

24: But He answered and said,
“I was not sent except to the
lost sheep of the house of
Israel.”

Matthew 15

26: But He answered and said, “It is not good to take the children’s bread and throw it to the little dogs.”

27 And she said, “Yes, Lord, yet even the little dogs eat the crumbs which fall from their masters’ table.”

28: Then Jesus answered and said to her, “O woman, great is your faith! Let it be to you as you desire.” And her daughter was healed from that very hour.

of children in the Bogor, Greater Bogor, and Jakarta area. An annual membership allows the children to check out and enjoy books, learn to appreciate the library and its books and develop a sense of ownership in the program. Since November 2007, the MLP has provided access to books to over 126,100 children and mothers, 3,640 of whom have become permanent registered library members.

Since 2010, the Integrated Health Programme (IHP) continues to provide various public health and hygiene initiatives to many schools, clinics, and communities through the training and educating of mothers, children, teachers and nurses.

IHP has so far provided integrated health services to 6,520 primary schools, 174 community health centers and maternal-child health centers, 320,660 children, and helped train 31,200 health officers, teachers and mothers.

experiences of students in West Java in the single most effective way possible; by improving teacher quality.

ISP forms deep, long-term relationships with partner schools, which are selected from applicants with whom YE's Outreach Programme has existing relationships. ISP then tailors the program to meet the needs of the schools and the educators who work within them. The program takes teachers where they are and engages them in a process of experiential learning, reflection, and the application of contemporary educational research within their school contexts. All of the ISP trainers are international (SPK) school teachers and International Baccalaureate (IB) workshop trainers. Since 2010, 134 schools and 835 teachers and principals have graduated from the program with a 86% graduation rate and a teaching annual impact of over 49,400 students per year.
