Love for the **WORD**

The Written Word - Bible
(2Tim3:16)

The spoken Word - Creation
(Genesis 1:1)

The Logos - Christ Himself
(John1:1)

Love for the **WORD**

**Knowing God

the WORD

**Psalm
19
v:1-6**

I take this to be the greatest poem in the Psalter and one of the greatest lyrics in the world.

Reflections on the Psalms*

**Psalm
19
v:1-6**

1 The heavens declare the glory of God, and the sky above proclaims his handiwork.

2 Day to day pours out speech, and night to night reveals knowledge.

3 There is no speech, nor are there words, whose voice is not heard.

4a Their voice goes out through all the earth, and their words to the end of the world.

Psalms 19

ESV

4b In them he has set a tent for the sun,

5 which comes out like a bridegroom leaving his chamber, and, like a strong man, runs its course with joy.

6 Its rising is from the end of the heavens, and its circuit to the end of them, and there is nothing hidden from its heat.

Psalms 19

ESV

Knowing God @

WORD of creation

If the Universe was made to declare God's glory.. that's the mission of the Universe.

His Glory is being declared to the end of the Universe and fill the entire Universe.

The Universe points to a Creator of infinite Wisdom and also the unsearchable riches of Christ for us to discover.

The Sun providing light and life to all on Earth.. reflecting the very nature and glory of God! In Him is life, He creates life, give life and sustain life.

The Heavens declare the Glory Of God

For His invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse. (Roman1:20 ESV)

A sunset scene with a large bridge silhouette and a bright sun. The sky is a deep orange-red, and the sun is a bright yellow-orange circle in the center. The bridge is a cable-stayed bridge with four tall pylons and many stay cables. The bridge is silhouetted against the sunset sky. The water in the foreground is dark and reflects the sunset colors.
